DECISION OF THE JOINT EFTA-CHILE COMMITTEE

No. 1 of 2008

(Adopted on 8 April 2008)

AMENDMENT TO ANNEX IV
CONCERNING PROCESSED AGRICULTURAL PRODUCTS

THE JOINT COMMITTEE,

Noting that according to Article 3 (2) of Annex IV the EFTA States shall, based on reviews, accord for products listed in Tables II-IV to the Annex, originating in Chile, treatment not less favourable than that accorded to the European Community,

Noting further that according to Article 4 of Annex IV Chile shall, based on duty reductions granted by the EFTA States to Chile, reciprocally reduce its duties,

Considering that according to Article 6 of Annex IV the EFTA States and Chile shall review periodically the development of their trade in products covered by the Annex,

Taking into account that the EFTA States have revised their agreements with the European Community on processed agricultural products, by expanding the product coverage of these agreements and providing for improved concessions for the products covered,

Having regard to Article 85 (5) of the Agreement, empowering the Joint Committee to amend the Annexes of the Agreement, subject to the provisions set out in Annex XV,

DECIDES:

1. Annex IV, including Tables I, II (Iceland), III (Liechtenstein, Switzerland), IV (Norway) and V (Chile) to the Annex, shall be replaced by the text and the Table set out in the Annex to this Decision.

2. The Decision shall enter into force on the first day of the third month after the last Party has notified that its internal requirements have been fulfilled.

3. The Secretary-General of the European Free Trade Association shall deposit the text of this Decision with the Depositary.

ANNEX IV

REFERRED TO IN ARTICLE 7(b)

PROCESSED AGRICULTURAL PRODUCTS

Article 1

1. In order to take account of differences in the cost of the agricultural raw materials incorporated into the products referred to in Article 2 of this Annex, this Agreement does not preclude:

- (a) the levying, upon import, of a fixed duty;
- (b) the application of measures adopted upon export.

2. The fixed duties, levied upon import, shall be based on, but not exceed, the differences between the domestic price and the world market price of the agricultural raw materials incorporated into the products concerned.

Article 2

1. For products originating in Chile listed in the Table, Iceland, Liechtenstein/Switzerland and Norway, respectively, shall accord the concessions indicated therein.

2. Taking into account the provisions laid down in Article 1 of this Annex, Iceland, Liechtenstein/Switzerland and Norway shall, based on reviews that can be requested by either side, accord for products listed in the Table, originating in Chile, treatment no less favourable than that accorded to the European Community.

Article 3

For products originating in an EFTA State, Chile shall accord treatment as specified in the Table. Based on any duty reduction according to Article 2(2) granted by the EFTA States to Chile, Chile shall reciprocally reduce its duties. The reduction shall be proportional to the lowest reduction granted by an EFTA State to Chile.

Article 4

The EFTA States shall notify Chile and Chile shall notify the EFTA States of all measures applied under Article 1 of this Annex at an early stage, and at the latest before their entering into force.

Article 5

The EFTA States and Chile shall review periodically the development of their trade in products covered by this Annex. In the light of these reviews and taking into account the arrangements in the WTO, the EFTA States and Chile shall decide on possible changes to the product coverage of this Annex, as well as on a possible development of the measures applied under Article 1 of this Annex.
